Version 1

Introduction

Location: Isolated

Open: No

Parking: None

Month & Year Photographed: June 2015

Use: Redundant

Date: Victorian

Century: C19, **Precise Date:** 1873

Architect: Haycock

Listing Grade: II

Plan Form: Nave and Chancel

Given the remoteness of this Church is not really surprising that it was made redundant and converted into a house.

Not a bad conversion although I am not convinced that a stone pulpet is suitable for a garden feature.

No sign of the earlier church which is still listed.

These photographs may not be used for commercial purposes. They may not be used for statements of significance or academic research at Masters Level except with the prior permission of Dr Wardle.
